

Parish Government Risk Management Agency

Are you satisfied with your current Work Comp and Group Health Programs?

Since 1997, CCMSI and the Louisiana Parish Government Risk Management Agency have worked together to provide member parishes with quality Group Health and Workers' Compensation coverage. For a quarter of a century, the Parish Government Risk Management Agency (PGRMA) has provided work comp and group health coverage for police juries statewide. Our approach has been relatively simple... We understand that we are spending our client members' money and strive to provide the highest in quality service. The future for the PGRMA is strong. Now is an excellent time to consider the PGRMA's work comp and group health programs if you are a member of the Louisiana Police Jury Association.

PGRMA's Work Comp and Group Health Programs will take care of your needs.
