FROM THE EXECUTIVE DIRECTOR

I am proud to present a directory of our current parish officials. These officials, whether elected or appointed are symbols of public service and the core of this Association.

The Police Jury Association of Louisiana is the official statewide organization of the governing bodies of the sixty-four parishes in Louisiana. It is an organization dedicated to promoting and protecting the interests of parish government so that parish government may best serve the people of Louisiana. In addition to lobbying at the Louisiana Legislature, the Association offers workshops and seminars, provides research and information on various issues, and publishes the Louisiana Parish Government magazine.

The material for this directory has been furnished by the individual parishes and, although every effort is made to assure that the information is accurate and up-to-date, complete accuracy cannot be guaranteed. The information relative to each parish is drawn directly from our database, so you can be assured that it is the most up-to-date information that we have. If you notice any apparent errors, please feel free to let us know by visiting our website, www.lpgov.org.
