The Police Jury Association of Louisiana is the State Association that represents all 64 parishes (counties) in the State of Louisiana. Please review our website to verify (www.lpgov.org)

We have set up the Parish Employee Relief Fund "PERF" at Hibernia National Bank. Hibernia is the Association's approved endorsed bank and has recently become a subsidiary of Capital One. We are now accepting donations for those parish employees from the areas devastated by Hurricane Katrina. There will be no administrative fees taken from the account. Every dollar donated will be sent to parish employees in the form of cash assistance. The account will be audited by the accounting firm of Postlethwaite & Netterville.

Please direct your contributions to the Police Jury Association of Louisiana at our address listed above and notate your contribution for the benefit of "PERF". If you have any questions or wish to discuss our effort please contact me.
